This Degree Audit is intended to assist students in
determining academic progress towards a first
baccalaureate degree in the School of Information Sciences
(iSchool).

This self-generated report is not to be used as an
official degree audit. This report indicates those
requirements you will have fulfilled upon successful
completion of your current courses in progress. It also
indicates requirements that still need to be completed.

Please carefully review this report for accuracy.
It is your responsibility to confirm your status with
respect to the requirements of your degree program. Please
consult regularly with an Academic Advisor and
Admissions/Records Officer in the iSchool.

If you have questions or would like additional information
on this report, please contact the iSchool
(bsis-advising@illinois.edu).

Public Act 102-0174 requires Illinois public universities
to provide cost and occupational outlook data to students
at the time the student declares or changes their program
of study. For related information, please visit:
